

Clinton Central Elementary 1:1- Digital Learning Initiative

In October 2013, students and teachers in 4th grade at Clinton Central Elementary began our first iPad roll-out. Students are using iPads to access Digital Curriculum to enhance learning. This initiative is driven by ongoing professional development and teacher collaboration. The 8th grade team is scheduled for roll-out in the spring of 2014.

Vision of the 1:1 Digital Initiative

Clinton Central School Corporation equips students with 21st century skills through inquiry by guaranteeing the learning community an engaging curriculum that promotes collaboration and critical thinking to develop a solid academic foundation.

Objectives of the 1:1 Digital Initiative

- *Continually improve access to technology*
- *Guarantee an Engaging Curriculum*
- *Promote Collaboration*
- *Advance Critical Thinking*
